

RenWeb ParentsWeb:

Account Setup & Information Updates

RenWeb School Management Software gives you, the busy parent, an opportunity to get more involved in your child's academic progress and future success – all via the internet! Through the use of a private and secure portal, parents can view academic information specific to their child, while protecting their child's information from others.

ParentsWeb can be used to:

- See your child's grades, attendance, homework and conduct
- Access a variety of posted school information
- Communicate with teachers
- Keep your child's demographic, medical and contact information updated, and much more

New SFCCS Families – *Instructions to Set Up your ParentsWeb Account*

- Go to the SFCCS.org and follow the pathway: **Parent / Parent Portal / RenWeb Parent Login**
- From the RenWeb Login, enter the **District Code: SF-WV**
- Click on **Create New ParentsWeb Account**
- Enter your email address
- Click **Create Account**
- RenWeb's system will immediately email you a password. Please check your email and click the link provided to gain access to the page where you can create your username and password.
 - *For security purposes, that link will only be active for 15 minutes.*
- Create Username and Password (Password should be minimum of 6 characters in length)
