

St. Francis Central Catholic School

Parent Teacher Organization Bylaws

I - Introduction

The Parent Teacher Organization (PTO) is an organization made up of parents and teachers of the St. Francis Central Catholic School. The goal of the PTO is to foster a strong connection between home and school by encouraging parent involvement and to support the educational experience of the students.

The board is comprised of elected officers, committee chairs and school representatives. The PTO meets once per month to conduct business. Meetings for the 2016-2017 school year will be held on the 1st Tuesday of the month in the school's cafeteria at 8:00 am. All are welcome.

A PTO is very similar to a Parent-Teacher Association (PTA) in terms of mission and objectives. However, there are technical differences. One of the most notable differences is that a PTA is supported by a state and national PTA and thus funds are also sent to these offices to help sustain the PTA program. Whereby, A PTO is local and does not pay dues or other fees to a national umbrella organization. Basically, a PTO is most often a single school group that operates under their own bylaws and is responsible for their own activities and programming. The St. Francis Family School Association (FSA) began researching its name change last year and noted that many archdiocesan schools around the country utilize the term PTO. Because the term PTO best describes the organization's vision, the FSA reviewed and amended the bylaws to include this name change from FSA to PTO.
